

Bowls Queensland Secondary Schools Cup - 2023

Bowls Queensland's Secondary Schools Cup will be played across QLD in 2023 with winners advancing through their local school and bowls club to a District play off, District winners advance to a State Finals on Wednesday 23 & Thursday 24 August 2023 at Club Pine Rivers in Brisbane.

Teams will consist of Pairs (2 girls, 2 boys, or a mixed team). Both players must attend the same recognised Secondary School unless approved. Students must not have turned 19 on or before 31 December 2023.

At least one student per team must be a non-registered player (not a member of a bowls club). An exception will be made if the non-registered team member joins a bowls club and becomes a registered member during the course of this competition.

2022 Champions
Madelyn McDonald & Cody Gerick
James Nash SHS (Gympie)

Secondary Schools and Bowls Clubs are encouraged to align together to host an intra-school playoff to be completed by 23 June. The winner will then proceed to an interschool Bowls District Playoff to be completed by 21 July. One winning team from each Bowls District will then advance to State Finals on 23 & 24 August (travel over a certain km, accommodation & meals at the event covered for State Finals).

It is recommended for clubs/schools to organise a coaching program for the students prior to the competition, followed by the number of weeks needed to conduct the competition to gain a club/school representative team.

Bowls Australia/Bowls QLD Regional Bowls Managers (RBMs) will be available to assist clubs and schools with coordinating their local and District play off.

Contact your local RBM or Bowls QLD for more information and/or to register:
